Examiner's Comments:

The applicants' amendment under 37 CFR 1.312 with amendments to the specification has been entered by the examiner.

Also, it must be clarified that the certified copies of the priority documents were not filed by WIPO but by applicants and this has been corrected on the cover page for the supplemental notice of allowability.

These statements have been made after a telephone conversation with Mr. Barth, applicants' counsel, to clarify the record on 5/18/04.

Inquiries regarding this communication can be directed to Paul Marcantoni at 571-272-1373.
